

Justice or Just Us?

Chief of Mischief Accused of Sexual Harassment

While we frown upon and would never condone the type of actions that Senator Adlah “Foncie” Donastorg, Jr. has been accused of, we do take issue with the continuing practice of “selective prosecution”. The laws of the Virgin Islands apply to each and every one of us. A concept that the DeWolf regime has been unable to grasp since it came to power on January 1, 2007. As the Virgin Islands’ “top cop”, Idiot Attorney General Frazer has a moral and statutory obligation to enforce the laws of the VI in an equitable manner. As the matter involving Donastorg’s alleged transgressions began to unfold, we were taken back by the energy and vigor with which Frazer and his designated “junkyard dog”, Agent 116, pursued this matter. We felt it our duty to let our faithful readers, including those in Government House, know of a matter that has been on our lengthy “Pending Issues” list for a few months. Attached you will find the Police Report filed by a 16 year old minor alleging sexual harassment by none other than Chief of Mischief Frankie Hoheb.

That’s no typo. While our Jackass of the Week has been making the rounds trying to purchase incriminating statements about Larry “Recon” Olive, he has found time in between to make unwanted sexual advances to underage minors. It would be in Hoheb’s best interest to go stand in the corner next to “Touching Wives” before he really starts to irritate us.
