

Pothead to File Suit Instead of Paying Taxes

DemMansay.com roving reporters are following up on tips received that Compulsive Liar Attorney Lee “Pothead” Rohn has filed a lawsuit against IRB Director Claudette Anderson, over the appearance of Pothead’s name in the recently published list of taxpayers owing outstanding balances to the Bureau. This yet another frivolous lawsuit initiated by “Pothead” that will consume precious space on the Court’s docket. The document that follows clearly shows that there are over 760,000 reasons why this latest “Pothead” performance doesn’t merit the Court’s attention. Furthermore, it begs to question how Pothead continues to collect on multimillion dollar judgments with outstanding tax liens. The same IRB has employees monitoring the entrance gates whenever local promoters put on reggae concerts, etc. Are there no mechanisms in place that IRB can use to monitor any monetary awards to “Pothead”? If we can do it for deadbeat dads, we damn sure should be able to do it for drug-trafficking attorneys.....and to think we closed Evelyn Marcelli School because it needed \$140,000 worth of repairs.
