

DemMansay.com & CruciansInFocus.com Flushes Out Secret Deal

Those who take exception to DemMansay.com and our mission to keep the public enlightened, often call us a bunch of rumormongers and claim that no one reads our website. Much to their dismay, we have once again smoked out a scheme to pull the wool over the eyes of the public. If not for demmansay.com and cruciansinfocus.com, Attorney Lee Rohn's sweetheart deal with the Attorney General's office and Governor DeWolf would have taken place in complete secrecy. Less than one week after demmansay.com revealed the secret deal between Rohn and the AG's office, Judge Donoghue has reversed himself and set Attorney Rohn's Change of Plea for February 19, 2010 @9:00am. DemMansay.com will be providing free transportation to any school students wanting to witness how justice is ACTUALLY metted out here in the US Virgin Islands.

Lee Rohn has thrown Foncie under the bus. Remember, we told you this deal was concocted by former Senator David "The Perv" Jones, during a Christmas Party. In exchange for a pardon from DeWolf, Rohn will throw Foncie under the bus, throw a party for DeWolf supporters, as well as provide financial assistance to the DeWolf campaign.

By the way, we recommend that as many elementary school teachers as possible, make the effort to take your students to the hearing. Be prepared to explain to your students, how Attorney Rohn has gone from facing 15 years incarceration, to receiving Pretrial Intervention Program (PIP) treatment. The pardon from Governor DeWolf will come at a later date. Additionally, we will be waiting to hear from the ethics committee of the Virgin islands Bar Association.
